

DISTRIBUTOR

DISTRIBUTOR

GENERAL DESCRIPTION

Our **ELECTRIC DISTRIBUTORS** are built with the best components in order to exceed the industry standards. The inner rotating seal covers all the outlets that are not in use, therefore ruling out any risk of cross-contamination. Made of a special polymer, this seal will keep all its properties even when submitted to extreme operating conditions.

FEATURES

- Standard Models range from 4 to 30 outlets
- Double stainless steel inner spout

PLC Controller (optional)
